

WOMEN BEHIND THE WINE

— BY E & J GALLO WINERY —

while empowering the next

[EXPLORE >](#)

BUY WINE, FUEL DREAMS

Women Behind the Wine celebrates some of today's female leaders in our industry. Their stories inspire us to empower and support those who will follow in their footsteps.

You're essential to this mission. When you purchase one of their participating wines, you not only support each of our featured women, but you fuel dreams for years to come by helping to fund our scholarship program.
