SOLUTIONS

Our Services and Solutions

Title Searches

All 50 states. Some are immediate from our office and others we mail in search requests.

Certified Mailings

Comply with local and state regulations and notify owners and lien holders with our Certified Mail services.

Liens

For vehicles that remain unclaimed, we provide full lien services.

Auctions

RST Auctions have many options: Scheduling services. Integrations with online auctions. In person auctions with auctioneer.

Software

Custom software for a new age. Monitor all unclaimed and abandoned vehicle inventory from our custom portal.

Service Plans >

No other service will save you as much money. Make the switch today to one of our service plans! Transparent. Modern. Faster.

Software. Service. Transparency.

Who We Serve

Law Enforcement >

Solutions to modernize and simplify all stages of the impound/tow process.
Software and Service options

Tow Companies >

Unclaimed/ Abandoned vehicles from Private Tows, Impounds and Accidents

Repair Shops >

Mechanic or auto body shops in possession of a vehicle that a customer did not pay and/or pick up after work or an estimate was performed.

Private Property & Other >

A vehicle is abandoned on your private property, at your tow yard, at an apartment complex, car dealer, etc

RST minimizes the time vehicles sit on our property, which creates an additional revenue stream from the sale of the vehicles. It's a true win-win!
