Message from the director:

Parents, this year your child can begin playing a musical instrument in the Hill Valley Middle School Band program. When he or she brings home an instrument for the first time, it is more than just an exciting day. It is perhaps one of the greatest opportunities in your child's life thus far. There are not many subjects taught in school where your children can have fun, learn a beautiful artform, and develop life skills needed to be successful beyond their school career. Please join us for this wonderful musical journey!
