FIRMER with Colloidal Gold when apply help reduces the look of fine lines, wrinkles, re-texture the skin, repair damage from age, and giving a renewed glowing younger-looking complexion.

FIRMER is a new revolutionary collagen boosting peptides ("Acetyl Heptapeptide - 9 - Colloidal Gold") that act as collagen boosters by affixing to platinum and gold carrier particles to create a unique delivery system.

Combined with synergistic cocktail of eighteen (18) extremely effective ingredients, nine (9) natural plant oils and nine (9) natural plant and organic extracts totaling significant percent of the formula that works to support skin's natural repair mechanisms; it firms, exfoliates, hydrates, moisturizes, rejuvenates and improves collagen synthesis for a radiant, restored, youthful-looking contours and anti-age-defined skin.
