

EXACT TARGET

\$349.99

★★★★★
(4 customer reviews)

LIGHT AND QUIET. THE BEST ALL-MACHINED METAL SIGHTS AVAILABLE.

The **Exact Target** comes in at just 8 ounces (scope not included). It features an 8" extension bar with our click-in precision locators, and a slow-pitch elevation rod for precise yardage settings. There are 6 macro-elevation positions for vertical body, combined with 2 1/2 inches of travel.

Exact Target sight features:

- 8" bar
- New lockdown knob
- All axis adjustments
- All-machined metal parts
- Slow pitch elevation rod
- Dual adjustable indicators
- Spring loaded detent system
- Includes laser engraved sight scales 1-11
- Elevation that can be used with or without a click
- New Mathews Archery Bridge-Lock sight bar option
- Removable yardage plates on both sides for easy sight scale installation
- The most precise micro-adjust windage unit available; under .001 per click with no excess travel

★★★★★

Loving it!!!

I just got my Exact Rize Target Sight yesterday and so far I'm loving the construction of it, and the operations. I mounted a Ultraview LV3XL Scope to it.
