

The screenshot shows a mobile app interface with a white background and an orange header. The header contains the time '1:22', signal strength, Wi-Fi, and battery icons. Below the header are 'Cancel' and 'Done' buttons. The form is divided into two main sections: 'Military Background' and 'Work Experience'. The 'Military Background' section has three toggle switches for 'Military Spouse', 'Veteran', and 'Transitioning Service Member'. The 'Work Experience' section includes a 'Degrees*' field with a 'Required' label and a dropdown menu showing 'High School Diploma/GED', 'Professional', 'Master's', 'Bachelor's', and 'Associate'. Below this is an 'Industry*' field with a 'Required' label and a dropdown arrow. Further down are 'Previous Company*' and 'Latest Position*' fields, both with 'Required' labels.

Scan code to install.
