

WOMEN WALKING GUELPH TO GODERICH TO GHANA TO GROW

Join entrepreneurs in Ontario as they take part in a 5-day trek to support entrepreneurs in Ghana!

MAY 11-16
2022

This May, a group of professional women and philanthropists in Ontario are inviting you to join their efforts to raise funds supporting women entrepreneurs and smallholder farmers in Ghana. The Guelph 2 Goderich 2 Ghana (G2G2G) group will trek the 125km Guelph to Goderich trail on May 11-16, 2022 with the goal of raising \$100,000 in donations.

You're invited to join in their efforts to walk parts of the trail and/or make a donation in support!

Women play a critical role in the Ghanaian economy. Despite their important contributions to the Ghanaian agricultural sector, they have limited access to land, technology, training and financial services. MEDA's work in Ghana aims to improve the economic and social empowerment of smallholder women farmers, entrepreneurs, and agribusinesses in Northern Ghana.

**JOIN THE TREK OR
DONATE TODAY!**
