Heating

Although winter doesn't typically last long in the Austin area, we've seen enough cold weather lately to last a lifetime. Even during a normal winter, the temperatures still get low enough that your heater needs to work – and work well. When that first cold night comes, you don't want to turn on your heating for the first time to find out it doesn't work. Our team at Service Wizard can help with all of your heating service needs. Our experts can help with [heater replacement](#), [heater repair](#) and [heater tune-up](#) services.

When you need an Austin heating company, look no further than [Service Wizard!](#) We are a family-owned and operated, reliable heating company. We know the value of a happy and warm customer. We personally hand pick and train our team of licensed professionals. Service Wizard can offer you competitive pricing, same-day service and a 100% satisfaction guarantee.

For all of your heating needs, we service Austin and the surrounding areas, such as Round Rock, Cedar Park and Georgetown. [Contact us at Service Wizard AC](#) for an Austin heater company you can rely on.

Heater Tune-Up

Austin may be fairly mild, but those winter cold snaps can be surprisingly powerful! Our team wants to make sure your heater is ready for the chilly weather by performing a comprehensive tune-up.

Heater Replacement

When your heater calls it quits, you need help choosing and installing a new unit. Let us assist you to make sure your investment fits your home perfectly for those chilly days!

What Our Customers Say

Very Knowledgable

We have been customers of Service Wizard for long time. They installed our new more energy-efficient units several years ago and continue to provide service to us. They are pros! The service techs are very knowledgeable and great to interact with. They take the time to explain the service. Great company to do new installs and service the units!!! Very pleased.
