We know how important it is to take a holiday, we know that you'll reap the health benefits long after you've returned home. We also know that half of Brits fail to take all of their annual leave and more than a third just don't get around to it.

Our great value holidays offer the quality and peace of mind you expect from British Airways. We offer carefully chosen hotels and straight-forward car hire, with no surprise extras. We secure your holiday with a low deposit and stagger your payments. We include a generous 23kg per person baggage allowance – all part of the package. Not forgetting our 24-hour helpline is there just in case you need it. We take the hassle out of holidays so you can relax, rejuvenate and switch off.

A survey commissioned by British Airways Holidays with YouGov Plc. in October 2022, found that more than a third of working Brits (36%) who did not take their full annual leave said it was because they 'just didn't get around to it'. 42% confessed that they have felt stressed about work whilst on holiday, and 46% responded that they have had to work on their leave. 48% have checked work emails whilst away and more than a third (39%) have gone one step further and responded. It also revealed that nearly 79% of those asked agreed that taking a break is good for their mental health.
