Circuit Offroad Steller 17×8.5 Gloss Black 6×139.7 [-10mm] (Fits Bronco Sasquatch™/ Raptor™)

\$199.99

- **LOOK BETTER:** Circuit Offroad Steller Wheels feature a JDM-inspired concave six-spoke design
- **FIT BETTER:** Every Circuit Offroad Wheel is built for a specific vehicle application, and designed to have perfect hub-centric fitment
- **SIMPLE TO INSTALL:** Circuit Offroad wheels are hub centric, and are vehicle-specific for direct, easy bolt-on fitment
- **DURABLE:** Constructed of Spun Forged™ A356 Aluminum with T6 heat treatment
- **LIGHTWEIGHT:** Spun Forged™ wheels are produced using cutting edge manufacturing techniques that results in up to 25% weight reduction compared to traditional cast wheels.
- **BUILT FOR LIFE:** All wheels are backed by our unmatched lifetime structural warranty.
- **TPMS COMPATIBLE:** All Circuit Offroad wheels are compatible with all OEM and aftermarket TPMS Sensors or, standard valve stems

- WORKS WITH POPULAR HARDWARE: Circuit Offroad wheels are designed for use with 60 degree conical lug nuts, sometimes referred to as “tuner style” or “acorn style”
