About

INTRCONNECT is a CoreLogic experience that connects players within the property insurance and restoration industries to collaborate in order to gain new insights and perspectives. At INTRCONNECT, hundreds of property insurance and restoration professionals gather to analyze the future of the industry – and to explore how to future-proof their businesses.

At INTRCONNECT 2024, we will once again bring together senior property insurance executives from the nation's top carriers, professionals from across the restoration supply chain, and influential thought leaders. We'll focus on how to build your ecosystem as a foundation that gives you endless possibilities to fulfill the needs of every policyholder and customer you serve.
