## Featured Project

### Cognizant

Mixed Media was contracted by Cognizant to work in collaboration with global workplace design company M Moser Associates. The client's vision was to create an experiential workplace with custom architectural glass graphics, distraction graphics, wall and column wraps.

### Wall Decals

Experiment with different sticker and wall decal sizes, even combine different sizes on the same wall, simulating different room layouts.

### Wallcoverings

Create, edit, and simulate the custom room layout with personalized wallcovering designs using personalized content.

### Banners

Promote your brand or celebrate an occasion with personalized banners you design.

### Posters

Simulate the look and feel on your wall of personalized poster designs.
