Details

The Merlin Jacket was our first foray into making a puffy jacket way back in 2015. We've made a change here or there but the basic magic of the Merlin has stood the test of time ever since. Filled with thermally efficient Primaloft Gold insulation, the Merlin is the perfect stand alone puffy or enchantingly warm mid-layer under a shell when the mercury really dips. Features ribbed cuffs, heavy-duty shoulder patches, double needle quilted sleeves and a box quilted trunk.
