

WITCH IS IN

WELCOME TO THE STANWICH GOLF CLUB
AKA 'THE WITCH'

The Stanwich golf course was originally designed by William and Harold Gordon and opened for play in 1934. The Stanwich Club has redesigned the course in three phases over the past 25 years. The Club has hosted the U.S.A. Mid-Am. Championship, Senior Cup, Wynton Cup and numerous other Professional and Amateur Championships over the years.

In order to commemorate the event, we have placed in the #1 golf course in Connecticut. Do not forget to pick up some merch featuring our club and a souvenir from our area. We have a variety of golf accessories, clothing, and drinks.

If you're a member, we also offer a special gift of a \$100 gift certificate to the club and a souvenir from our area. We have a variety of golf accessories, clothing, and drinks.
