Our Approach

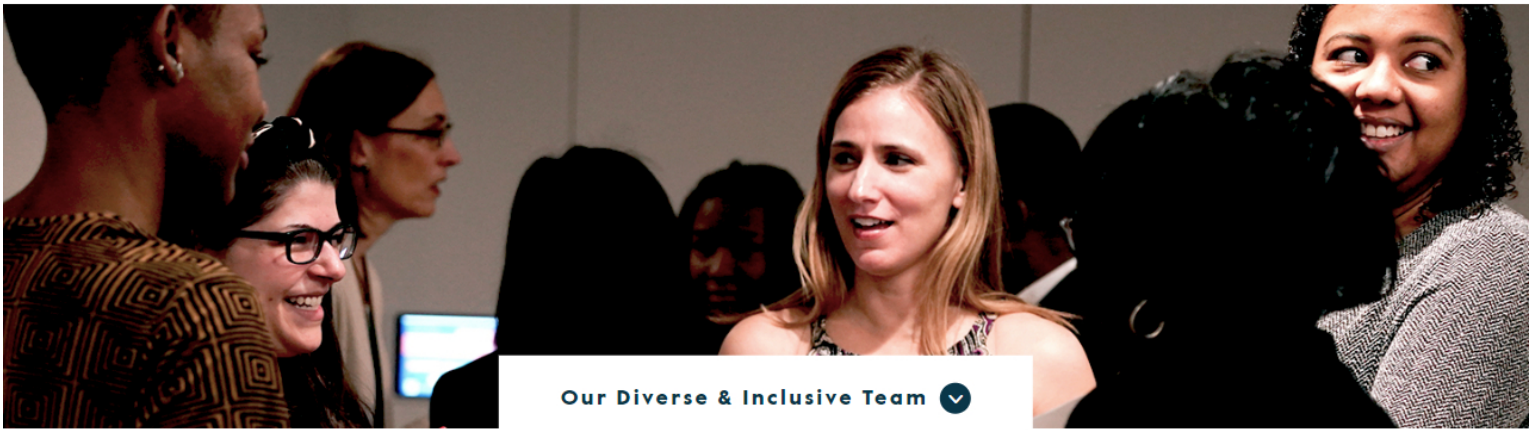

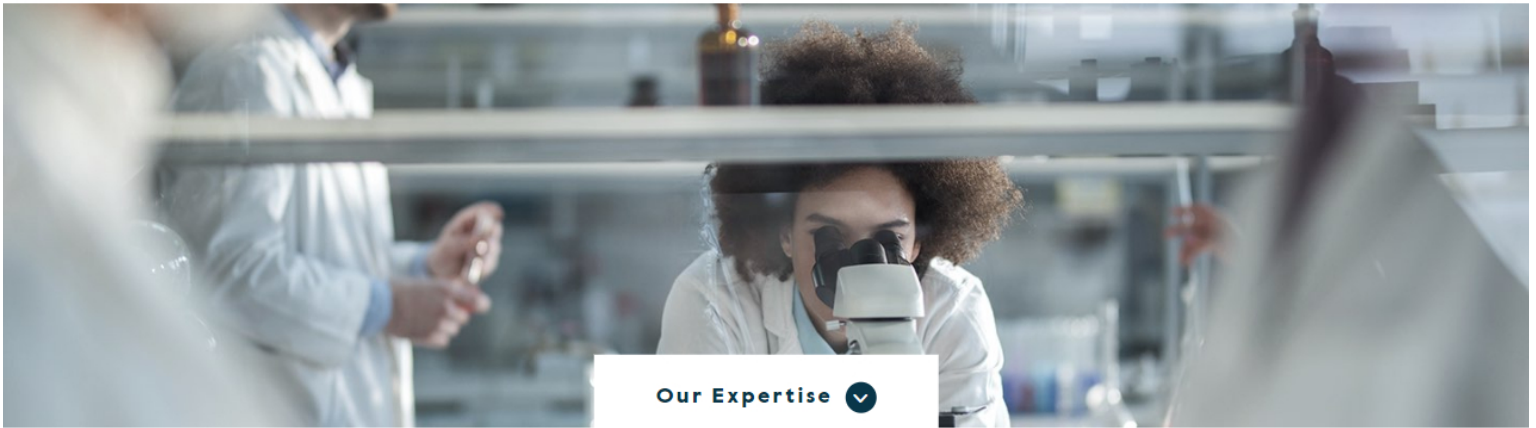

Since our founding over 30 years ago, we have always looked to create lasting partnerships across all of our businesses. We work with our partners to find solutions that drive sustainable value and impact over the long term. We have built trust and credibility by leveraging our global scale, industry expertise and diverse insights to deliver better solutions and build better businesses. By approaching every investment with our full platform, we uncover new opportunities, transform businesses and foster innovation.

The Carlyle Advantage

As a leader in the industry, we've developed a formula for success that brings our full platform to every interaction and transaction. The combination of our global reach, industry expertise and diverse teams allow us to maintain our competitive advantage and partner with great management teams to build better businesses and make an impact.

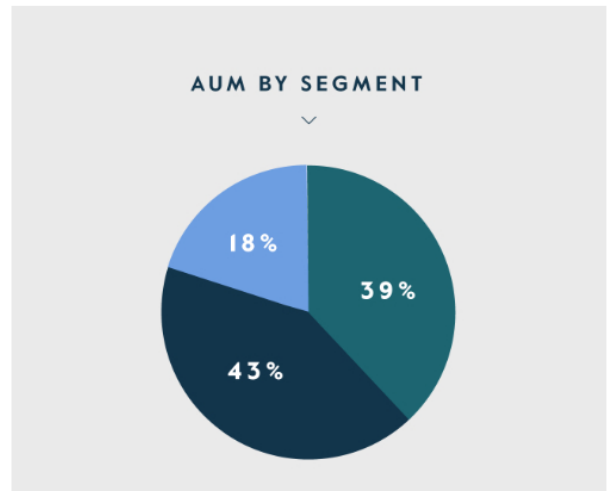

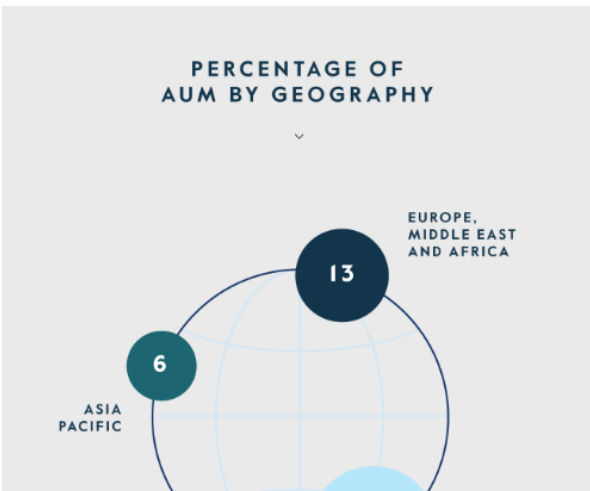

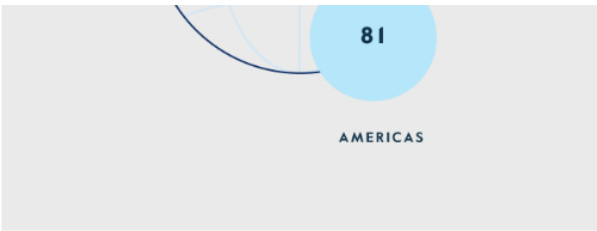

Our Reach 

Carlyle by the Numbers

As one of the world's largest investment management firms, our assets are diversified across our business segments as well as the industries, sectors and regions in which we invest.
