# LIVING NATURAL

## COCONUT COIR REPTILE BEDDING

Coconut Fiber Expandable Reptile Substrate

6 PACK FITS UP TO A  
**60 GALLON TANK!**

- Chemical Free
- Holds Optimum Humidity
- Ideal For Tropical Species
- Sustainable & Eco-Friendly

### Just add water!

Komodo® Coconut Coir Reptile Bedding Bricks give your pets a healthy, comfortable, and natural environment to live in. Our products are 100% natural and any foreign materials are removed through the Maxwashed process. Combine with our chip brick for the best combination of terrarium floor for your reptile!

**PACKAGE AND PRODUCT ARE COMPOSTABLE AFTER USE!**

### EACH BRICK FILLS ABOUT 10 GALLONS

**1 BRICK = 10 GALLON TANK FLOOR**    **4 BRICKS = 40 GALLON TANK FLOOR**  
**2 BRICKS = 20 GALLON TANK FLOOR**    **6 BRICKS = 60 GALLON TANK FLOOR**

### HOW TO USE:

Remove the bricks from the HDPE bag, and add water to the compressed hard block. It will immediately start to expand and turn to a rich, golden color with fully moisture absorbed particles.
