Description

The Very Important Buying Executive (VIBE) program is an invitation-only meeting program providing an opportunity for qualified buyers of adult content, novelties, rights, and DVDs to do business with the suppliers who produce such product. The program spans over four days and includes one-on-one meetings, networking events, AVN Awards, and educational content. The success of the program is based on the commitment by both the buyers and the suppliers and we ask that you commit to 25-30 meetings with preferred suppliers.
