## EMPLOYEE BENEFITS

## Contact Us

A cost-effective, easy-to-manage employee benefits program has become increasingly important to many businesses. Our knowledge of the ever-changing employee benefits and healthcare arena, combined with our strong relationships with key benefits providers, allows us to offer our clients the highest quality benefits programs at the most competitive prices. We provide our clients with a high level of pre- and post-sale support (enrollment meetings, customized benefit statements, employee benefit websites, claims management, etc.) while maintaining the attentive, responsive service that is so crucial to the effective implementation of an employee benefits program.

We can offer the following types of coverage and expertise:

- Group Health
- Group Life
- Dental
- Disability — Short & Long-Term
- AD&D
- 401k
- 529 Plans
- Voluntary Benefits
