HOW TO USE

Styling Routine & Treatment

“This leave in conditioner made my hair smell absolutely amazing and keep my curls nice and tight. It also helped with my frizzy hair. I really like this product and will continue to always keep this product on hand.”

Perfect conditioner for summer heat

This leave-in condition is non-greasy and light enough for everyday use, giving a softness to my hair without losing the curl. Love it!

High hopes !!

The product itself seems like it's going to do what it's supposed to do. My hair drank it up and looks beautiful. But the spraying process is a hard NO for me. Application needs to be easier and the bottle slips right out of my hands.
