BRIDGING THE GAP

HOW TO CONNECT, COACH & CREATE WITH MILLENNIALS, GEN Z AND BEYOND

LEARN MORE

CONNECT. COACH. CREATE.

Dr. David Neal imagines a world in which millennial and managers alike are able to coach, connect and create in a way which paves the way for high performance organizations.

WHO ARE THE MILLENNIALS AND HOW DO THEY THINK?

Millennials lead the charge when it comes to redefining work. Yet, this charge has not come without frustrations for Managers and Millennials alike. What if leaning in and listening to the pain

Bridging The Gap

ABOUT DR.NEAL

Dr. David Neal, BCC is President of Neal Leadership Group. His company focuses on assisting good leaders to become great through transformational leadership in several areas including: Executive and Entrepreneur Coaching, Change Agent Strategy for integrating the Millennial workforce in today's environment and towards the future, Operational Management, Business Turnarounds and Growth, Organizational Culture, Servant Leadership and Leadership Development.

For the last fifteen years, Dr. Neal has coached and managed Millennials along with the individuals who lead them. A key to his success includes his strategic leveraging and blending of three decades of operational leadership experience. These areas include: executive and life coaching strategies, helping executives gain a better understanding of their personal/professional efficiency and innovative ingenuity.
