

CAUTION

BEFORE USING Know safe operation of your firearm. Know characteristics of smokeless powders. Read safe usage and storage instructions in our **BASIC MANUAL**. It is available from: 1.) the dealer selling this product, 2.) our Web site or 3.) directly from **HODGDON POWDER COMPANY**. You may also consult the pamphlet, "Properties and Storage of Smokeless Powders," from SAAMI, Firthlock, Ridge Office Center, 11 Mile Hill Road, Newton, CT 08470-2399, <http://www.saami.org>. Use this smokeless powder propellant **ONLY** for loading cartridges in strict accordance with Hodgdon Powder Company data for this powder. Failure to use exactly in accordance with such instructions and data may result in **SEVERE PERSONAL INJURY OR DEATH** to the user and/or bystanders.

- Keep container tightly closed
- Clean up spilled powders; do not use vacuum cleaner
- **Never** substitute this powder for black powder or any black powder substitute or use in muzzleloading firearms.
- Do not store in same area with highly combustible materials
- Minimize inhalation and skin contact
- Do not take internally

Every precaution should be taken for **SAFE HANDLING** of these extremely flammable* powders. Inspect each container on a regular basis for signs of deterioration (explained in booklet or data manual). Since we cannot control handling, storage, use and loading after this product leaves our plant, we make no warranties, either express or implied, and specifically disclaim any, and all implied warranties of merchantability and/or implied warranties of fitness for a particular purpose.
