

Tovolo

2011

Have you ever spent eight hours staring at a spatula? We have.

To you, it's only a spatula-to us it's a challenge! We spend hours thinking about the development of every product so you need never think about them at all.

Tovolo tools and accessories combine innovative design with intelligent application for tools that are easy to use and a pleasure to own.

With Tovolo products, you'll spend less time worrying about the tools and have more time to enjoy the results.

Silicone Spatulas

Save the good stuff with this cleverly crafted, conforming spatula, available in four lively colors. Durable yet lightweight for easy use.

- One-side is curved and the other flat; silicone head conforms to nearly all surfaces
- Heat resistant silicone to 600°F/315°C
- Smooth surface allows easy spreading
- Edges are tapered to cleanly scrape surfaces
- Stainless Steel handle does not degrade (like traditional wood handles)

NEW Tip Top Tongs

The difference is in the details. The built-in resting foot keeps tips off counter while the unique head grabs the full length of the tips for a greater grip. 13" tongs open wide for some serious reach and the extra large ring is extra easy to lock and unlock. Saving the best for last, the resting foot keeps counters cleaner than ever. So good, these tongs give themselves a standing ovation.

- Built-in resting foot keeps counters clean
- Unique head grabs the full length of the tips for precise and powerful pinching
- Extra large ring makes tongs easy to lock and unlock

2 in 1 The Pizza Wheel

Our 2 in 1 Pizza Wheel comes with two interchangeable blades, giving you the right tool for any cutting job. The sharp Stainless Steel blade will cut through even the heartiest pizza while the Polycarbonate blade is safe for nonstick pans. The blades securely lock into place, and easily remove for switching or cleaning. Keep both blades in the cover during storage to ensure they stay sharp and to keep hands away from the cutting edge. The large, soft-touch handle provides a secure, comfortable grip while the built-in guard promotes safety.

- Includes a traditional Stainless Steel blade plus Polycarbonate blade that minimizes scratching
- Ideal for slicing pizza, focaccia and more
- Comfortable ergonomic handle
- Blades lock securely in place and remove for easy cleaning
- Cover protects blades for safe storage
- Components unlock and come apart for thorough, easy cleaning
- Dishwasher safe

Ice Cream Sandwich Molds

Hard pressed to perfect your ice cream treats? We can help with these Ice Cream Sandwich Molds. Designed as the easiest and most fun-to-use molds on the market, just three steps take you to ice cream sandwich bliss:

1. Bake a full sheet of cookies (recipes included),
2. Cut the cookies with the design of your choice,
3. Press the ice cream between the cookies...and enjoy!

- Bright colors make a fun kitchen addition
- Designs are pressed right into the cookie
- Completely dishwasher safe for easy clean-up
- Comes in a choice of three sets:

Classic Icon Set - includes heart, star and "squirrel"

Farm Animal Set - includes pig, cow and chicken

Holiday Set - includes snowflake, snowman, and gingerbread boy
