superior bioavailability\*  
more powerful anti-aging benefits\*  
designed to increase your Skin Carotenoid Score  
patent-pending nano-nutrients processing technology  
delivers proprietary Pharmanex® Nano-Nutrients

Fat-soluble nutrients like carotenoids and CoQ10 tend to bunch together in the intestine, making them difficult to absorb. To enhance absorbability, individual molecules are separated using nano encapsulation. This process prevents molecules from clinging together so they are more available for easy absorption\*
