**INTRODUCING THE BABY ESSENTIALS
VENDING MACHINE!**

JNS Enterprises, LLC is proud to present the Baby Essentials vending machine to the Nashville, TN area.

The first of its kind in this region, the Baby Essentials vending machine was designed keeping families with young children in mind. Strategically located, this custom vending machine will help keep your customers free from the worry of an unexpected circumstance, that most of us know is all too common with younger children.

WHAT WE VEND

The Baby Essentials Vending machine will provide those much needed and often forgotten items that are sometimes crucial to the success of any family outing.

Some of these items include:

Diapers

Wipes

Formula (Powder)

Onesies

And a variety of snack foods that are tailored to the younger child...

Working to strategically place our machines helps to ensure they are conveniently located for families where and when they need them.

**FULLY EQUIPPED WITH THE BRANDS
PARENTS TRUST**

As parents ourselves, we know how important it is to try and provide our children with the very best. That's why we vow to put only the most recommended and highly rated brands in our machines.

Some of these brands include:

diapers
.com

Gerber

HUGGIES

Similac

And more...

ALSO COMES WITH
AN ELECTRONIC CARD READER!

This great feature gives your customers the flexibility needed in today's world to make their Baby Essentials purchases no matter what the monetary circumstance.

We built this machine with parents on-the-go in mind. So whenever the occasion or that emergency circumstance arises, the Baby Essentials vending machine will be there to help you through it.
