HALF PINT

Small Round Brush

It's like having a curling iron inside your brush!

- Ceramic barrel heats up from the blow dryer, dramatically helping to set curls and create volume.
- Perforated barrel allows air flow, decreasing overall drying time.
- Nanolonic™ minerals condition, reduce frizz/flyaways, and help remove odors.
- Adds noticeable luster and shine.
- Nonslip grip handle and incredibly lightweight.

Price: \$35

Free shipping for orders \$50 or more.

Quantity: 1
