

Community of Digital Content Creators and Brand Storytellers

Serving influencers, talent agencies and advertisers.

I'M AN INFLUENCER

I'M AN ADVERTISER

Connecting Content Creators with Brands

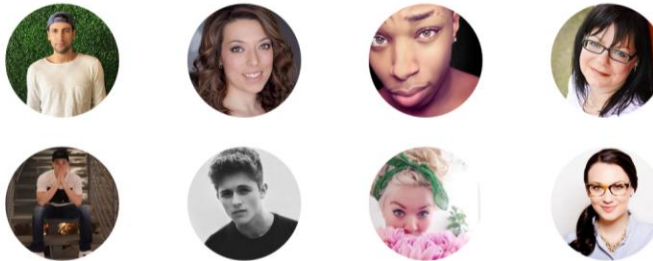

Socialite is a safe and secure marketplace for bloggers and social media influencers to collaborate with brands. The platform offers a complete end-to-end solution for developing partnerships, creating sponsored content and tracking performance.

Socialite manages sponsored content campaigns across blogs, Facebook, Twitter, Instagram, Google+, YouTube, Vine and Pinterest. The platform offers best in class technology for outreach, communications, payments and measurement.

Meet Our Influencers

We work with some of the web's most talented social media personalities and bloggers. Our content creators are dedicated and passionate individuals with highly engaged audiences.

Community

Our thriving community consists of some of the world's top content creators and recognized brands. We cultivate relationships and authentic storytelling.

Platform

Modern day influencer programs require maximum control and automation. Our software provides a seamless experience for brands and creators to collaborate.

Team

Socialite is operated by a team of intelligent technology and social media professionals. We are deeply connected to our members and support is available 24/7.

“92 percent of consumers trust recommendations from others, even people they don't know, over branded content.”
