

# ARE YOUR PUMP PATIENTS OPTIMIZING THEIR INSULIN PUMP THERAPY?

If they are not using the **CONTOUR®NEXT LINK Meter** with their **Medtronic insulin pump system**, then they might not be.

**CONTOUR®NEXT LINK** is the exclusive meter distributed with Medtronic pumps.

It wirelessly transmits highly accurate blood glucose results to compatible Medtronic insulin pumps\* for optimal insulin dosing. Also, the **CONTOUR®NEXT LINK** is the only meter labeled for use with the **MiniMed® 530G with SmartGuard™ technology**. Together, they offer seamless integration as part of this breakthrough technology in glucose control. Your patients should not compromise when it comes to meter accuracy and insulin dosing.

**Coverage and approval of Prior Authorizations may vary by plan and use of this information does not guarantee plan coverage and reimbursement.**

#### Important Safety Information:

The MiniMed 530G system with SmartGuard technology is intended for the delivery of insulin and continuous glucose monitoring for the management of diabetes mellitus by persons 16 years of age or older who require insulin. Insulin infusion pumps and associated components of insulin infusion systems are limited to sale by or on the order of a physician and should only be used under the direction of a healthcare professional familiar with the risks of insulin pump therapy. For complete details, go to [www.medtronicdiabetes.com/importantsafetyinformation](http://www.medtronicdiabetes.com/importantsafetyinformation) to review the full important safety information.

# CONTOUR<sup>SM</sup> NEXT REIMBURSEMENT SUPPORT PROGRAM

**PERSONALIZED SERVICE  
FOR YOU AND YOUR PATIENTS  
USING MEDTRONIC INSULIN  
PUMPS**

 **ASCENSIA**  
Diabetes Care

**Medtronic**

# WHAT IS THE CONTOUR<sup>SM</sup>NEXT REIMBURSEMENT SUPPORT PROGRAM?

The CONTOUR<sup>SM</sup>NEXT Reimbursement Support Program is a free of charge service available to patients on insulin therapy including those on a compatible Medtronic insulin pump\*, their caregivers, healthcare professionals, medical billing staff, and others who have questions about insurance coverage and reimbursement as it pertains to the CONTOUR<sup>®</sup>NEXT LINK Meter and its respective components, including the CONTOUR<sup>®</sup>NEXT Test Strips.

## COMPATIBLE MEDTRONIC INSULIN PUMPS

MiniMed<sup>®</sup> 530G System with SmartGuard<sup>™</sup> technology

Paradigm<sup>®</sup> REAL-Time Revel<sup>™</sup> insulin pumps

The CONTOUR<sup>SM</sup>NEXT Reimbursement Support Program has an experienced team of reimbursement specialists who will work with you, your office staff and payers to help navigate reimbursement challenges you and your patients may face in managing their diabetes.

The CONTOUR<sup>SM</sup>NEXT Reimbursement Support Program offers a unique set of services designed to help both insured and uninsured patients on a Medtronic insulin pump. **For insured patients with prescription coverage**, the CONTOUR<sup>SM</sup>NEXT Reimbursement Support team is available to help with:

- **Benefit verification**
- **Determining third-party payer requirements**
- **Confirming any co-pay or co-insurance requirements**
- **Prior authorization assistance**
- **Plan coverage research**
- **Denial / Appeal assistance**
- **Determining eligibility for qualified patients with various co-pay assistance programs offered by Ascensia Diabetes Care**

**For uninsured patients** or patients who do not have adequate and/or any prescription coverage, the CONTOUR<sup>SM</sup>NEXT Reimbursement Support specialists are available for:

- **Assisting qualified patients with co-pay programs and other discount programs offered by Ascensia Diabetes Care**
- **Assisting patients in locating a nearby retail pharmacy that can help fill their prescription**

Call the **CONTOUR NEXT Reimbursement Support Program** today at **866.296.1436** M – F (8 AM – 7 PM ET) or email us at:

**Reimbursement@ContourNextHelp.com** and a reimbursement specialist will contact you.

\*The CONTOUR<sup>®</sup>NEXT LINK Meter is compatible with the MiniMed<sup>®</sup> 530G with SmartGuard<sup>™</sup> technology and with the MiniMed<sup>®</sup> Paradigm<sup>®</sup> REAL-Time Revel<sup>™</sup> insulin pumps.
