# Tritium Military Watch CAM6600

## Keep Time Like No Other

As essential as any other tactical equipment, our durable military watch combines function and simplicity with the advantage of self-powered Tritium lighting.

## FEATURES

- 1 GBQ Tritium Illumination – guaranteed for 10 years.
- 2-Year Warranty against any manufacturing defects.
- Protective 45mm glass fiber reinforced-resin with steel container.
- Sturdy bidirectional rotating black-plated steel bezel.
- Precise quartz movement.
- Encased with hard, scratch-resistant mineral crystal.
- Water resistant up to 660ft/200m and 290 psi.
- Easy-to-read day of week and date display.
- Available with rubber, silicone or NATO watch band.
