Windsor Alto Saxophone

A quality saxophone great for students of all ages

Designed for a comfortable learning experience and to produce beautiful sound, the Windsor alto saxophone is a carefully constructed instrument that is perfect for students, hobbyists and enthusiasts.

The saxophone's crafted brass body, engraved bell, and premium pads make the Windsor a truly beautiful and reliable instrument that lends the musician confidence in

The Design

The Windsor alto saxophone features a beautiful brass body, pearloid keycaps and a Windsor engraved bell complete in a lacquered finish. The saxophone is traditionally known for

The Playability

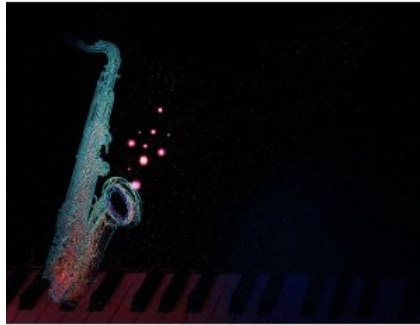

The keys operate with stainless steel springs, rods and pins for long-lasting durability. Together with accurate tuning and

The Case

The included case is moulded to perfectly fit the shape of the saxophone, and features thoughtful, luxurious touches like a velour lining. The case is lightweight, yet

The Accessories

The Windsor alto saxophone comes complete with everything a musician requires to play, maintain and clean his or her instrument. Accessories include a

History Of The Saxophone

Invented by Adolphe Sax, the saxophone dates back to the mid-19th century. Early Alto Saxophones had fewer keys than the modern day version, with no low Bb, high E, F or F#.

Since the saxophone was originally designed as a louder alternative to the clarinet, the new instrument found great popularity among military bands. By the time World War I ended, the saxophone had already begun to become part of jazz bands and popular culture.

For perspective, in the early 20th century, saxophones became as popular as the guitar would eventually become in the 1960s, and the powerful brass instrument has remained important part of orchestral and popular music ever since its introduction over a century ago.

Product Description

Windsor have done it again and designed an entry level alto saxophone at an affordable price for beginners, ideal for any budding player who is looking to take up this magnificent instrument. Complete with everything you need to get playing straight out of the box, the impressive Windsor alto sax comes in a fully lined plush hard case for maximum protection of your instrument whilst on the move, as well as including a strap and cleaning kit. The Windsor alto saxophone is ideal for novice players, offering a great instrument, well designed and manufactured to ensure comfortable playability and a superb tone. Features: Gold lacquer finish Cleaning kit Strap Mouthpiece Ligature Reed Plush lined hard case
