- **SPECIAL INTRODUCTORY PRICE!** PREMIUM STAINLESS STEEL MIXING SET is designed to last a lifetime and includes five bowls with matching lids. Other sets only contain four bowls, making this a great value. We use only the highest grade stainless and use a thicker stainless to deliver the highest quality set on the market.
- **TIGHT FITTING MATCHING LIDS** - We've done our homework and designed the best sealing lids on the market. Flimsy, non sealing lids are the biggest complaints on other bowl sets, so we've engineered a better performing lid with larger sealing ribs and an overall heftier lid. See our image for more details.
- **NON-SLIP SILICON BOTTOMS** add a sense of style to your bowls while also providing a stable base to mix in. The bottoms were designed to hold each bowl in place to prevent spills and excess sliding while mixing.
- **ENGRAVED MEASUREMENT INDICATORS** in both Metric and US making it easy to tell how much is in each bowl.
- **CARE & MAINTENANCE:** This set is refrigerator, freezer, and dishwasher safer. However, we highly recommend that in order to preserve the strong seal of the lid to the bowl, the lids be hand washed only to preserve their optimum functionality.
