ADVOCATE Pen Needles are ultra fine-gauge, with as little discomfort as possible! They feature an extra lubricated needle that provides less friction and smooth penetration. ADVOCATE Pen Needles are compatible with all popular insulin pen devices from major suppliers like Berlin Chemie, Lilly, Novo Nordisk, Owen Mumford, and Sanofi Aventis. The tri-bevel tip assures greater comfort.

The Advorate Pen Needles are available in 5mm (31g), 8mm (31g), 12.7mm (29g), and 4mm (33g).

Features:

- 33 gauge / 4mm / 5/32"
- Thin, Fine, Sharp and Extra Lubricated Needle
- Tri Bevel Tip for Greater Comfort
- Easy to Use / Safe to Handle
- Sterile / Non-Toxic
- Single Use Only
- Mini & Short Needles

Package Includes: (100) Individually Sealed, Sterile Pen Needles
