— *Bring your vision to life with Victor custom-designed fabrics.*

At Victor, our skilled designers, engineers, and craftspeople put their expertise at your fingertips to deliver textiles of the highest quality in a seamless process.

*“Modern and contemporary designs featuring sophisticated patterns and beautiful woven constructions—that’s our aim and what our partners have come to expect from Victor. We strive to make our clients look good by bringing to life appealing and practical solutions they can rely on each and every time.”*

*Lisa Olson-Wong, Victor Design Director*

Our expert design team turns smart new concepts into appealing, sophisticated textile patterns. At Victor, our pitch-perfect colors and styles are always in step with the latest trends.

Our designers work with OEMs and distributors to fine-tune designs, meet stringent performance criteria, and satisfy every aesthetic consideration.
