

Enhance your accounts receivable process

Abella is the first and only A/R software that sends consistent and friendly eStatements via text and email, in addition to placing phone calls until a payment arrangement is made. This provides patients a superior payment experience while accelerating cash flow to your practice.

A simple click to view balance

Patients receive custom branded eStatements via text and email and can easily set-up payment arrangements from their mobile device.

Patients pay quickly and easily

Patients have immediate access to pay off their balance or pick a monthly payment plan that works for them so you can get paid faster and more efficiently.

A big smile for everyone

Patients and practice are happy with a friendly and improved bill payment experience. Start putting Abella to work for you and your practice today!
