## Magnus Casement & Awning

### Engineered For Top Performance & Versatility

Magnus casement and awning windows are an excellent choice for reaching top performance with intelligent design and timeless style. Operating and fixed designs made for commercial, multifamily and architectural projects.

Every window is custom made to your specifications using high-quality, high-performance vinyl, glass, and hardware. Each window is engineered to perform with outstanding energy, acoustic, and structural properties.

Casement shown with decorative exterior finish.

Colors are not exact and may vary. Ask a Crystal California authorized dealer or representative for a sample.

### Types & Styles

#### Create the greatest views imaginable

- CA Casement

-  CL
-  CR
- All viewed from exterior.
