

**FEEDING GUIDELINES**

These are recommended feeding amounts based on ideal body condition for adult dogs of various weights. Feed suggested amount twice a day or as directed by your veterinarian. Always monitor your pet while feeding. Keep fresh drinking water available at all times.

\*The amounts in the table are intended as guidelines only. Food intake should be adjusted according to activity level, age, weight, and breed of your dog.

Dog Weight (lbs)	Cups per Serving*
10 or Less	½ - 1 Cup
10-20	1 - 1½ Cups
20-30	1½ - 2 Cups
30-40	2 - 2½ Cups
40-60	2½ - 3½ Cups
60-80	3½ - 4½ Cups
80-100	4½ - 5½ Cups

**ALL NATURAL  
FOOD FOR DOGS**  
GLUTEN-FREE | NO CORN  
NO SOY | GRAIN FREE

**INGREDIENTS**

Chicken, sweet potato, tomato, carrot, celery, basil, parsley, lettuce, watercress, spinach, papaya, green peas, salt, zinc, potassium, vitamin E supplement, coated ascorbic acid (source of Vitamin C), probiotics (lactobacillus fermentation product).

To help maintain freshness, we recommend sealing the zipper pouch tightly and storing in a cool dry location.

**ADULT FORMULA  
CHICKEN & VEGETABLES**  
BALANCED DIET FOR ALL BREEDS

Our Natural Chicken & Vegetable formula delivers that home-grown quality to your pet. Made in our own quality controlled facility with all-natural U.S. grown chicken with all-natural U.S. grown peas, carrots, tomatoes, sweet potatoes, and parsley with our special probiotic coating to promote a healthy gastrointestinal tract in your pet. Slow roasting the ingredients make them a healthy and delicious treat that will assist in your pet's nutritional needs, with a taste that will have their tails wagging every time you fill the bowl.
