

3 Mobile Apps that allow you to Make Money with your Phone

These mobile apps are all free, and allow you to earn money with minimal effort. Most of them work by displaying not intrusive ads on your lock screen, or giving you the opportunity to earn money from taking surveys.

[QuickThoughts](#)

How it works: In this app, you complete surveys which take 2-20 mins to earn Amazon or iTunes gift codes. There are always a number of surveys available to take.

Payment: Survey awards are up to \$3 and you can request your gift code once you reach \$10. iTunes credit is instant while Amazon gift [...]
