Salt Wash your skin to forgive life's rough edges and prevent cracking.  
 It's Organic Body Polish Hopped Up with a twist. We've added **Organic Hemp Oil** to regenerate the skin's protective layer. With a high concentration of omega 3 and omega 6 fatty acids, hemp oil has a composition similar to skin lipids. It is especially useful for dry, tired, or dehydrated skin and nails, increasing elasticity and water retention capacity. We've added **Organic Hops** to soothe and calm dry, stressed skin, and **Organic Calendula** to stimulate the production of collagen. It's all drenched in a refreshing Key Lime, Sweet Orange and Lemon Zest scent.

**OGlaby Breathe Free Tea Tree ORGANIC AROMA RUB**  
Breathe Free Tea Tree Aroma Rub is Certified Organic Aromatherapy Vapor rub design especially to be gentle enough for the tiniest of infants. The Essential Oils of Eucalyptus Radiata and Tea Tree are safe for application to the very youngest infants. Apply after a warm bath or before rest to baby's chest, back, and bottoms of feet before bundling up.

**OGlaby Breathe Free Tea Tree GENTLE SOAP**  
Breathe Free Tea Tree Gentle Soap is an aromatherapy enhanced mild soap that turns baby's bath time into a congestion clearing, mucous moving experience. Excellent to open baby's sinuses right before rest. To continue the aromatherapy through the sleep, apply Breathe Free Tea Tree AROMA RUB to the chest, back and feet before snuggling down.

**SNIFFLES SURVIVAL SET**  
This little kit contains the essentials to pull you through a stuffy baby head cold. An excellent choice for travel, or a great back up kit to have on hand, just in case. The aromatherapeutic soap can be used in a warm steamy bath to loosen congestion. The aromarub supports the movement of mucous, throughout baby's healing slumber.
