

CONSULTATIONS

I'm passionate about wellness and podcasting! If you are a health practitioner interested in exploring the world of podcasting, I know how to do it. It's a powerful medium and I have ideas for how to use it to expand your business' impact! If you don't know where to start, that's where I come in. Contact me today for a no-obligation 15-minute conversation. Once you hire me, I will help you shape your show for success--from start to finish. I bring branding expertise, ideas for finding your niche, growing your audience, marketing, & more.
