

October 18, 2018

I, Katucha Hector, grant permission for the abbreviation of my name to be used as the applied for mark, Katu, on this application.

A handwritten signature in black ink. The signature is stylized and appears to read "Katucha Hector". The first part of the signature is a large, bold, slanted letter 'K' that extends across the line. The rest of the name is written in a cursive, flowing script.
