

Category	Topics
support Support on configuring and using Discourse after it is up and running. For installation questions, use the install category. ■ wordpress	57 / week
bug A bug report means something is broken, preventing normal/typical use of Discourse. Do be sure to search prior to submitting bugs. Include repro steps, and only describe one bug per topic please.	16 / week
feature Discussion about existing Discourse features, how they can be improved or enhanced, and how proposed new features could work. ■ announcements	10 / week
community A great platform doesn't guarantee success. Community building is a science. This category is for discussions about launching, building, growing and managing a thriving community.	3 / week
dev Anything related to hacking on Discourse: submitting pull requests, configuring development environments, coding conventions, and so forth. ■ sso ■ translations	8 / week
theme Themes are reusable CSS/HTML blocks you can use on your site.	1 / week
plugin Plugin directory. To post here, message a Staff member and ask for access. One post per plugin please. ■ voting ■ broken-plugin ■ patreon ■ extras ■ advertising ■ solved ■ chat-integration ■ data-explorer ■ staff-notes ■ oauth2-basic ■ translator	1 / week
ux Discussion about the user interface of Discourse, how features are presented to the user in the client, including language and UI elements.	5 / week
marketplace About commercial Discourse related stuff: jobs or paid gigs, plugins, themes, hosting, etc. All soliciting must be in this public category, private solicitations are not permitted here.	4 / week
meta Discussion about meta.discourse.org itself, the organization of this forum about Discourse, how it works, and how we can improve this site. ■ blog	341
installation Getting Discourse up and running for the first time, and anything you need for installation.	3 / week
uncategorized Topics that don't need a category, or don't fit into any other existing category.	1 / week
hosting Topics about hosting Discourse, either on your own servers, in the cloud, or with specific hosting services.	1 / week
praise Got something nice to say about Discourse? ■ comparison	170
howto Tutorial topics that describe how to set up, configure, or install Discourse using a specific platform or environment. Topics in this category may only be created by trust level 2 and up. ■ admins ■ developers ■ sysadmin ■ tips & tricks ■ faq ■ cmgrs	2 / week
releases Outlining each official release of Discourse, and plans for future releases.	15
