

This limited-edition diaper bag insert keeps all your essentials in one handy place and acts as a diaper organizer to keep things tidy. No more fumbling around in your bag to find what you need! It will be nothing but neat diaper bags from here on out with these Fawn Design + ToteSavvy® diaper bag organizing pouches. The inserts can easily be transferred between your bags, so it makes deciding what to keep in your diaper bag and how to organize your bags a cinch! This compact organizer insert comes with 6 total pockets, a washable changing mat, key clasp and insulated pocket for bottles. Fits both our original and mini size bags.
