

PRODUCT DETAILS

FAWN DESIGN MINI BAG

It's made of high-quality faux leather and comes with gold zippers and custom hardware. The inside and outside are fully wipeable and the inside lining can be pulled out for easy cleaning. There's a total of 9 pockets, 4 outside and 5 inside. There is also a keychain hook on the inside so you don't have to spend hours looking for your keys. The straps are made from a durable webbing. It can be used as a backpack or messenger bag. There are also new and improved backpack straps for added comfort and strength. To clean your Fawn Design Mini bag, wipe it down with a damp cloth.
