

The Fawny Pack is a modern, stylish update on the traditional tanny pack. It's a fun alternative to your favorite Fawn Design bag and it's great for hands-free adventuring with your littles. Whether you're headed to your local park, the beach, or hopping on a plane for vacation, the Fawny Pack will be your new BFF!

The Fawny Pack is available in Black, Brown, and Poppy, and is made from the same high-quality faux leather as our signature diaper bags and backpacks. It features gold hardware and a buckle that allows you to adjust the pack to fit you perfectly.
