## Who We Are

### About Us

House Meraki is a boutique interior design firm dedicated to making design attainable for everyone. Our mission is to create innovative and functional environments that leave you feeling empowered. We prioritize the re-use of existing furniture while supplementing with locally sourced and/or environmentally friendly materials and products that support small businesses. From small decorative accents, to renovations, and new construction, House Meraki interior design has the tools and expertise to help you create the home you will love!
