

THE MAJIC HOUR PODCAST

Hosted by Mercedes Terrell and Jade Bryce, an unlikely duo who realize that we are not left to our fates without the ability to affect the outcome. These two babes on a mission have dedicated this show to uncovering life's most coveted truths. With the help of world famous guests from all walks of life, including health, science, business, love & relationships, spirituality, fitness, and more, they're re-discovering ancient knowledge and sharing valuable tools for manifesting and re-connecting to your most amazing,

most authentic self. In hopes of tapping in to our collective conscious, while building a tribe of seekers with open hearts and minds, these two brazen women plan to explore adverse opinions and theories with outrageous openness and radical acceptance.

Listen in and witness their journey into the grey.
