Surgical Proposal

Procedure description	Cost
Mastopexy	\$4150
Abdominoplasty	\$3500
Liposuction/American butt lift	\$2000
Facility/Anesthesia (7 hrs)	\$5650
Total \$15,800	

This quote includes all pre and post operative visits. Please be aware that if medial clearance is required to perform your surgery your primary care must provide us with test results no later than 10 days before surgery date. If additional lab work is needed pre or post operatively including the disposal of implants and /or basic hemogram blood testing, the lab will bill you or your insurance plan separately.

As prescription medications vary from patient to patient , they are a separate expense and are not included in this quote. Payment for surgery is due in full 10 business days prior to surgery or surgery may be postponed.

A 10% deposit is required to schedule surgery and in the event surgery is canceled by the patient the 10% will be forfeited. The fees indicated above are honored for 6 months from the date of this quote.

I have discussed the above procedures with the patient coordinator and fully understand the fee's given as well as my financial obligations set forth herein.
