From communication in a timely and authentic way to enabling players to improve their skills outside of practice, Ballogy's Coach HQ serves as a digital headquarters to allow you to connect and communicate with players and parents on one platform.

Enhanced Access to Players

Group your players together to share practice schedules.

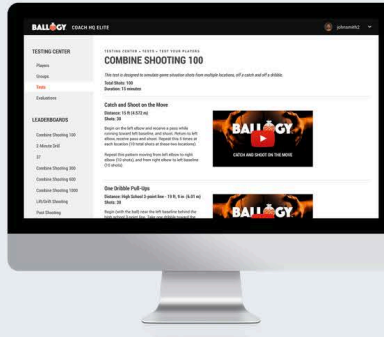

Enhanced Access to Players

Group your players together to share practice schedules, forms, and photo and video highlights as well as other relevant information all in one place.

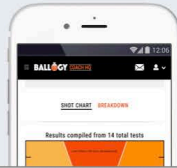

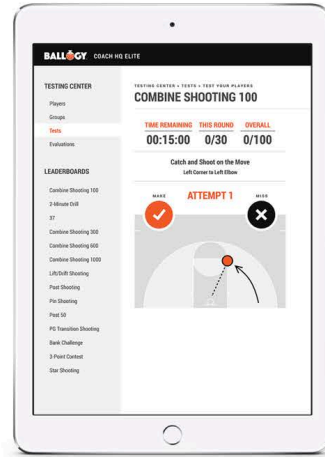

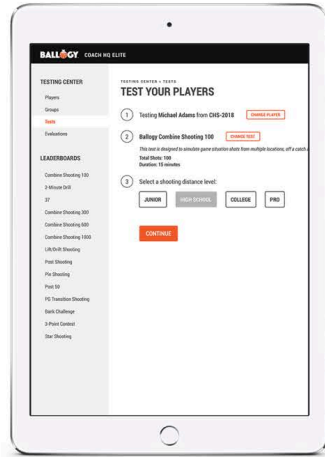

Assign Player Assessments

Extend practice into the off-season by assigning skill assessments to your players and monitor results across the team.

Run Combine Evaluation

Jump into the testing center and challenge your players with Coach HQ's playbook of professional-grade combine shooting drills and evaluations.

Capture Key Data and Analytics

Coach HQ allows coaches to keep progressive evaluations of individual players and teams to track their development over time.

Ballogy allows me to organize my team and keep track of player development even when we're not in the gym.

- Brian Gawlak, Head Middle School Girls and Boys Coach, Lynn Massachusetts
