★★★★★ This was the best thing I ever bought for deployments

This was the best thing I ever bought for deployments! I got so many compliments and referred so many people to Amazon to buy it! It's amazing! You can fit pretty much everything you need in this bag! The part that detaches would be perfect for shower items! It's just amazing!

Just purchased 2 weeks ago. had one trip and it held up very well. No rips no tears or any problems.The evaluation is based on only one trip therefore I am cautiously optimistic. Will come back and add to the review as the bag is used more.

★★★★☆ Strong bag with lots of room - husband loves it!

March 11, 2015

Color: Black | [Verified Purchase](#)

I purchased this bag for my husband who is a frequent flyer. Airport baggage handlers are very rough on bags. This was a recent purchase and only had one flight into it. It held up. No rips or tears after first flight unlike, another one purchased about a year ago which he had to duct tape it and sew it back together after one flight. My husband loves the room and the detachable compartment. Only downside is the handle - he wish there was a longer bar type handle for easier rolling from one terminal to another. For that reason I gave a four star. I hope this bag lasts for a while.
