PERFECT BOHO CHIC DECOR

definitely purchase another design." - Dawn O.

THE LARGEST MACRAME

This Large Macrame Hanging isn't just boho-eautiful, but it's much fuller and larger than what you've seen, too! At 45" wide, and 18" long, it's the biggest wall hanging of its kind, and adjustable to fit that large wall in your living room decor or as beautiful art above your bed.

SHABBY CHIC DECOR

Most BIG wall macrame hangings like this are fairly plain with just strings hanging down and no design and it's only the small impractical ones that seem to pop with interesting boho wall art. So we combined the best of both worlds – beautiful knotted art with a large shabby chic curtain.

VERY GIFTABLE

Each woven wall hanging is nestled in tissue inside a sturdy box, and makes perfect sense as a housewarming gift for anyone who loves boho home décor or has an empty wall in need of beautifully large wall décor! Your friends and family will absolutely love your wall hanging as a gift.

Frequently Asked Questions

Q: What is macrame?

*A: Macrame is a form of textile produced using knotting techniques. The primary knots of **macramé** are the square or reef knot) and forms of "hitching": various combinations of half hitches. Macrame is usually woven with cotton material.*

Q: Does the macrame come with something to hang it up?

A: Our product does not include any nails or knobs to hang up the macrame. You will have to use your own nails, or we also recommend using small adhesive hooks, especially if you don't want to make any holes in your wall.
