## All Weather Gold Bangles Serenity Prayer

All Weather Bangles (AWB) are the force at BuDhaGirl. These amazing bangles are weightless, soundless, waterproof and TSA proof. Each of the nine bangles in the set is meant to represent an intention for your day. As you put them on, affirm your intentions in the morning, and when you remove them in the evening, fill yourself with thoughts of gratefulness. This daily ritual will settle your mind at the beginning and end of each day. AWB are made of flexible, polyvinyl carbonate rings that are filled with gold dust filament and sealed with our exclusive BuDhaGirl Serenity Prayer bead. This unique, non-metal material allows you to go from the pool, to the office, and through the airport all without needing to take them off.

Handcrafted in Thailand by really nice people.

*Serenity Prayer:* Give me grace to accept with serenity the things that cannot be changed, courage to change the things which should be changed, and the wisdom to distinguish the one from the other.

*Mindful Glamour Ritual:* Pause...Slide your All Weather Gold Bangles on one by one. Focus on being present, and in the Now. Each intention you make will be with you throughout the day...Go, Be it.

*Thought:* Inner peace can be attained no matter the circumstance. We must live in the present moment and take joy from it, for this is living in the Now.
